

## **CURRICULUM VITAE**

Ronald E.P. Frenkel, M.D., F.A.C.S., F.I.C.S.  
509 SE Riverside Drive, Suite 302  
Stuart, Florida 34994  
efleye@aol.com  
www.efei.com

### **ACADEMIC RANK**

2006-present Voluntary Associate Professor of Ophthalmology, Bascom Palmer  
Eye Institute, University of Miami School of Medicine  
2002-2006 Voluntary Assistant Professor of Ophthalmology, Bascom Palmer  
Eye Institute, University of Miami School of Medicine

### **EDUCATION**

1982 M.D. Wayne State University School of Medicine, Detroit  
1977 B.A. Vassar College, Poughkeepsie, New York

### **POSTDOCTORAL TRAINING**

1987-1988 Clinical Fellow in Glaucoma  
Massachusetts Eye and Ear Infirmary  
(Harvard Medical School), Boston  
1984-1987 Resident in Ophthalmology  
Kresge Eye Institute  
1987 Medical and Surgical Retina with Mark S. Blumenkranz, MD  
Kresge Eye Institute  
(Wayne State University School of Medicine), Detroit  
1987 Diabetic Retinopathy and Medical Retina with Robert Frank, MD  
Kresge Eye Institute (Wayne State University School of  
Medicine), Detroit  
1984 Resident in Anesthesiology  
St. Elizabeth's Hospital  
(Tuft's University School of Medicine), Boston  
1982-1983 Resident in Internal Medicine  
Brigham and Women's Hospital  
(Harvard Medical School), Boston

### **FLORIDA LICENSURE AND CERTIFICATION**

2001 Fellow, International College of Surgeons  
 2000 Fellow, American College of Surgeons  
 1991 Fellow, American Academy of Ophthalmology  
 1990 Diplomate of the American Board of Ophthalmology  
 1987 State of Florida  
 1983 Diplomate of the National Board of Medical Examiners

2009 Peer Reviewer, Ophthalmology  
 2009 Peer Reviewer, Archives of Ophthalmology  
 2009  
 2008 Peer Reviewer, Journal of Ophthalmology  
 2003 Consultant, Pfizer Pharmaceuticals  
 2003 - 2005 President, ISOCO, The International Society of Ocular Circulation and Oximetry.  
 2002 - 2005 Clinical Project Director, National Eye Institute, Grant for Continuous Ocular Pressure Sensing System.  
 2002 Peer Reviewer, Ophthalmic Surgery, Lasers and Imaging.  
 2001 Member, American Society for Laser Medicine and Surgery.  
 2000 -present Volunteers In Medicine Provider  
 1999 -present Eye Care America Volunteer Provider  
 1998 Scientific Reviewer, American Journal of Ophthalmology  
 1998 Member Glaucoma 2001 Committee, Florida Society of Ophthalmology.  
 1996 Scientific Reviewer, Ophthalmic Surgery and Lasers  
 1995 Scientific Reviewer, Investigative Ophthalmology and Visual Science  
 1994 - present Member, Medical Executive Committee, Martin Memorial Surgery Center  
 1994- present Director, Eye Research Foundation, Stuart, Florida  
 1994 -present Member, Third Party Liaison Committee (for Glaucoma issues), Florida Society of Ophthalmology, (which interacts with the State of Florida Medicare Carrier)  
 1993 Vice-President Ophthalmic Inventors Society  
 1993 Member, Membership Committee, Florida Society of Ophthalmology  
 1993-1994 Member, Continuing Medical Education Committee, Martin Memorial Hospital  
 1993 Member, Utilization Management Committee, Martin Memorial Hospital  
 1993 Reviewer, Journal Ophthalmology  
 1992 Treasurer, Ophthalmic Inventors Society  
 1992-1995 Member, Board of Directors, Florida Society of Ophthalmology  
 1991-1995 President, Treasure Coast Ophthalmology Society  
 1991 Nominating Committee, Coastal Surgical Care  
 1991 Volunteer, National Eye Care Project  
 1991-1994 Quality Assurance Committee, Coastal Surgical Care  
 1990 Risk Management Committee, Martin Memorial Hospital  
 1989-present Director, East Florida Eye Institute  
 1989 Investigator, IOLAB Intraocular Lenses

1989	Investigator, Allergan Medical Optics Intraocular Lenses
1988	Book Reviewer, Archives of Ophthalmology
1987-1988	Clinical Fellow in Ophthalmology, Harvard Medical School, Boston
1987	Investigator, Coburn Intraocular Lenses
1986-	Book Reviewer, Ocular Surgery News
1982-1983	Clinical Fellow in Medicine, Harvard Medical School, Boston
1976	Co-President, Beta Beta Beta Biological Honor Society

## **NATIONAL AWARDS**

2005	Achievement Award, American Academy of Ophthalmology
2008	Selected as a Castle Connolly Top Doctor
2009	Selected as a Castle Connolly Top Doctor
2009	Lifelong Education for Ophthalmologist (LEO) Continuing Education Recognition Award.
2009	AMA Physician's Recognition Award (PRA)

## **VISITING APPOINTMENTS**

1988	Glaucoma and anterior segment consultant Aravind Eye Hospital, Madurai, India
------	---

## **PROFESSIONAL SOCIETY MEMBERSHIPS**

2009-present	Advisory Board, Martin Memorial Foundation
2008-2009	Gaudeamus Society, Vassar College
2001-present	American Society for Laser Medicine and Surgery
1997-present	American Diabetes Association
1993-	Florida Physicians Association
1992-1995	Ophthalmic Inventors Society
1992-	American Glaucoma Society
1991-2009	Member-Board of Directors, Martin Memorial Foundation
1991-	Treasure Coast Ophthalmology Society
1989-1998	Martin County Medical Society
1989-1998	Florida Medical Association
1988-	Chandler-Grant Society
1988-	Florida Society of Ophthalmology
1990	California Association of Ophthalmology
1987-	Association for Research in Vision and Ophthalmology
1985-	American Academy of Ophthalmology
1983	Massachusetts Medical Society
1983	Norfolk County District Medical Society
1978-1998	American Medical Association

## **HOSPITAL STAFF APPOINTMENTS**

1990-2000 HCA Medical Center of Port St. Lucie – Courtesy Staff  
1989 Martin Memorial Hospital – Invitational Staff: Special Services  
1989 Martin Memorial Surgery Center – Associate Staff

## **CIVIC**

2005-present Member, Magnificent Enterprise, Vassar College  
1997 Chair, Foundations, Martin Memorial Hospital Cancer Center, Steering Committee  
1997 Member, 100 Club of Martin County  
1997 Listed in Who's Who in the South and Southwest, 24<sup>th</sup> Ed.  
1992 Honorary Chairperson, An Evening at the Pops, for Martin Memorial Medical Center, January 19, 1993  
1993-1998 Member, Major Gifts Committee, Martin Memorial Foundation  
1993- Member, Board of Trustees, Martin Memorial Foundation

## **TEACHING EXPERIENCE**

### Hospital

1987 Supervised clinical training of Massachusetts Eye and Ear Infirmary Glaucoma Service residents  
1988 Development of Glaucoma Clinic; Fellow and Resident Training, Aravindi Hospital, Madurai, India

### National

2001, 2002 Course Director, American Academy of Ophthalmology, Frontiers in Ocular Blood Flow in Glaucoma: Principles and Practice.  
1994, 1995 Instructor, American Academy of Ophthalmology, Combined Management of Chronic Open-Angle Glaucoma and Cataract

## **SYMPOSIA PANEL PARTICIPATION**

1. Why Do Patients Go Blind from Glaucoma and What Can We Do About It? Glaucoma Research Foundation, Amelia Island, Florida, February 20, 1999.
2. Moderator ARVO Special Interest Group (with Georg Michelson, University of Erlangen Nurnberg, Erlangen Germany): Ocular Blood Flow and Systemic Blood Pressure in Glaucoma, ARVO, Ft. Lauderdale, FL, April, 2004.
3. Moderator (with Leopold Schmetterer, University of Vienna, Vienna, Austria) ARVO Special Interest Group: Controversies in Blood Flow and Neuroprotection, ARVO, Ft. Lauderdale, FL, May, 2005.

## **PATENTS**

1. Intraocular Lens Pressure Monitoring Device, April 9, 1991.  
U.S. Patent # 5,005,577

## **CHAPTERS**

1. Frenkel, R.E.P. and Spoor, T.C.: Diagnosis and management of traumatic optic neuropathies. In Bosniak, S.L. and Smith, B.C. (eds.) *Advances in Ophthalmic Plastic and Reconstructive Surgery*, Vol. 6, Orbital Trauma, Part I, Pergamon Press, New York, pp. 71-90, 1987.
2. Frenkel, R.E.P. and Spoor, T.C.: Neuro-ophthalmologic manifestations of trauma. In Spoor, T.C. and Nesi, FAA. (eds.) *Management of Ocular, Orbital, and Adnexal Trauma*. Raven Press, New York, pp. 195-245, 1988.
3. Frenkel, R.E.P., Haji, S., Frenkel M., *The Glaucoma Book*, pp.59-64, 2010

## **PRESENTATIONS**

1. Cardiovascular effects of inhalational anesthetics. St. Elizabeth's Hospital, Boston, Massachusetts, April, 1984.
2. Adult onset cyclic esotropia and optic atrophy. 30<sup>th</sup> Annual Clinic Days, Kresge Eye Institute, Detroit, Michigan, May 10, 1985.
3. Adult onset cyclic esotropia and optic atrophy. Seventh Annual Upper Midwest Neuro-Ophthalmology Group Meeting, with Spoor, T.C., Chicago, Illinois, July 26, 1985.
4. Adult onset cyclic esotropia and optic atrophy. Presented at the American association of Certified Orthoptists, with Spoor, T.C., San Francisco, California, October, 1985.
5. Misdiagnosis of meningiomas. Exhibit. American Academy of Ophthalmology, with Spoor, T.C., Nesi, FAA., and Hartel, W., San Francisco, California, September-October 1985.

6. The Foster Kennedy Syndrome Revisited. 31<sup>st</sup> Annual Clinic Days, Kresge Eye Institute, Detroit, Michigan, June 6, 1986. (3<sup>rd</sup> Prize)
7. Amaurosis Fugax. Harper Hospital, Detroit, Michigan, November 18, 1986.
8. Prevention and management of delayed suprachoroidal hemorrhage after filtration surgery. 32<sup>nd</sup> Annual Clinic Days, Kresge Eye Institute, Detroit, Michigan, May 29, 1987.
9. Continuous monitoring of intraocular pressure, Massachusetts Institute of Technology, December 3, 1987.
10. Lectures in Glaucoma, Aravind Eye Hospital, Madurai, India, January-February, 1988.
11. Evaluation of the accuracy of the Tono-Pen. Poster. Association for Research in Vision and Ophthalmology, Sarasota, Florida, May 4, 1988.
12. Ophthalmology in India, Grand Rounds, Massachusetts Eye and Ear Infirmary, June 16, 1988.
13. Glaucoma and Laser Surgery, Martin Memorial Hospital, January 31, 1990.
14. Ophthalmology Update for Non-Ophthalmologists, Grand Rounds, Martin Memorial Hospital, February 13, 1990.
15. Low-Dose Laser Trabeculoplasty, Palm Beach Ophthalmologic Society, October 4, 1990.
16. The Red Eye. Martin Memorial Hospital, April, 1990.
17. Influence of the Number of Laser Burns on the Result of Argon Laser Trabeculoplasty. Poster. Association for Research in Vision and Ophthalmology, Sarasota, Florida, April 29, 1991.
18. Influence of the Number of Laser Burns on the Result of Argon Laser Trabeculoplasty. Annual Ophthalmology Clinical and Scientific Meeting of the Massachusetts Eye and Ear Infirmary Alumni Association, Boston, Massachusetts, May 17, 1991.
19. Setons in Glaucoma, Palm Beach Ophthalmologic Society, September 25, 1991.
20. Setons in Glaucoma Surgery, Treasure Coast Ophthalmology Society, November 14, 1991.
21. Laser Trabeculoplasty, How Many Spots Do I Need? Treasure Coast Ophthalmology Society, February 13, 1992.
22. What's New in Glaucoma in 1992? Martin Memorial Hospital, April 1, 1992.
23. The Diabetes 2000 Project and the Florida Society of Ophthalmology, Martin Memorial Hospital, April 9, 1992.
24. Ultraviolet Light and the Eye, Martin Memorial Hospital, January 6, 1993.
25. Ectropion Uveae and Glaucoma, Nantucket Glaucoma Conference, Nantucket, Massachusetts, August 13, 1993.
26. Laser Trabeculoplasty – How Little is Enough? Nantucket Glaucoma Conference, Nantucket, Massachusetts, August 13, 1993.
27. Topical Beta Blocker Use and Associated Systemic Side Effects in a Tertiary Glaucoma Practice, Association for Research in Vision and Ophthalmology, Fort Lauderdale, May 15, 1995, (with Simone, et al).
28. Trusopt – A New Glaucoma Drug, Treasure Coast Ophthalmology Society, Stuart, Florida, June 7, 1995.
